## Limited Review Report

### INDEPENDENT AUDITOR'S REVIEW REPORT

To The Board of Directors of  
46/1 Mile Stone, Hisar Road  
Rohtak -124001  
Lakshmi Precision Screws Limited

1. We have reviewed the unaudited financial results ('the statement') of Lakshmi Precision Screws Limited ('the Company') for the quarter ended June 30, 2017 which are included in the accompanying 'Statement of Unaudited Financial Results for the Quarter ended June 30, 2017 together with the relevant notes thereon (the "Statement")'. The Statement has been prepared by the Company pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Agreement and Disclosure Requirements) Regulations, 2015 read with SEBI Circular dated July 5, 2016. The Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Further, the Management is also responsible to ensure that the accounting policies used in preparation of this Statement are consistent with those used in the preparation of the Company's opening unaudited Balance Sheet as at April 1, 2016 prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under section 133 of the Companies Act, 2013 and other recognised accounting practices and policies. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free from material misstatements. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. The statement prepared on the basis of the related interim financial statements in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("IND AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India, is the responsibility of the Company's Management. Our responsibility is to issue a report on these financial statements based on our review.
4. A) A fraud of Rs. 1,60,59,342/- was reported during the Financial Year 2005- 06 incurred by an ex-employee of the Company which is under litigation and pending before the Hon'ble Delhi High Court. During the preceding financial year, Rs. 20,00,000/- were recovered. In our opinion, provision for doubtful debt should be recognized for the remaining amount and to that extent the loss for the quarter is understated.
- B) As per the accounting policy of the Company, the Company is valuing its inventories at lower of cost and net realizable value. As explained to us, since exact cost is not ascertainable, the same is arrived at list price less 57% in case of finished goods and at list price less 66% in case of semi-finished goods and special items have been valued at 31% less in case of semi-finished goods and 22% less in the case of finished goods of the selling price. Since proper cost records are not maintained, exact cost is not ascertainable, and therefore the impact if any, on account of valuation of inventories on basis of actual cost is not quantifiable and provided for.
- C) The Company is not regular in depositing undisputed Statutory dues including Provident Fund, Employees State Insurance, Income Tax, Sales tax, Value Added Tax, Service Tax, Excise Duty, Cess and several other Statutory Dues including interest thereon to the appropriate authorities. Arrears of outstanding statutory dues as on 30<sup>th</sup> June, 2017 are Rs. 32,22,67,945.
- D) The Company has defaulted in repayment of principal and interest to Banks and Financial Institutions as on 30 June 2017 of Rs 26,23,17,774.
- E) The Company has capitalized Borrowing Costs amounting to Rs. 1,33,36,724/- for the quarter ended 30<sup>th</sup> June, 2017 in respect of capital work in progress at IMT, Rohtak. However the same is not in compliance with Ind AS 23 "Borrowing Costs". Since no substantial development activity has been carried out at IMT, Rohtak, borrowing cost of Rs. 1,33,36,724/- should be charged to Statement of Profit and Loss and to that extent loss for the year is understated.

6/12

F) The Company is in violation of Section 73 of Companies Act, 2013 read together with Companies (Acceptance of Deposits) Rules, 2014, as it has taken advances from customers amounting to Rs. 2,21,50,242/- having balance outstanding for more than 365 days. In terms of Rule 2(1)(xii)(a) such advances are liable to be treated as deposits read together with section 73 of the Companies Act, 2013 and hence the Company is in violation of the same.

G) The Company has taken unsecured loans from Companies amounting to Rs. 5,80,55,000/- which are outstanding as at the end of the quarter. However, loan agreements in respect of these loans have not been furnished and in absence of the same, the terms of repayment, chargeability of interest and other terms are not verifiable. One of the matter related to RCI Industries is under litigation in Punjab & Haryana High Court.

5. Subject to our comments in above paragraphs and based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results, prepared in accordance with Ind AS and other recognised accounting practices and policies, and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 read with SEBI circular dated July 5, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.
